If it's your wedding, birthday, or any kind of an event and if you wish to make it memorable there can nobody else better than Mr.Kunal Buch. He has so much energy & enthusiasm that you and your family/colleagues will have memories for life. He had hosted my 6th birthday party (in 2000) and till today's date I remember it, as he made it super special. Recently he and his team also hosted a reception party for my brother's wedding celebration and every guest enjoyed to their fullest.
